

Volunteer Opportunities

To continue to support and improve the Cotswold Way we need help!

We have the following volunteer vacancies and would be delighted to discuss any of them with you so please get in touch.

Trustees

We are a registered charity in the UK with Trustees to manage and oversee our activities. We are seeking people from a wide range of backgrounds who have an interest in the Cotswold Way and Cotswolds in general. The only specific requirements are to be a member of the Cotswold Way Association and to attend four Trustees meetings per annum. In between those meetings you would be in email contact with fellow Trustees to offer advice and comment on whatever matters need discussing.

Social Media Lead

We have an active Twitter account but nothing else in the social media arena. We seek one or more volunteers who can help us get our messages out to the main social media platforms.

Online Shop

We have recently established an online shop and are now seeking volunteers to help service the sales as well as getting involved in liaising with our growing network of on-sellers.

Operations

The CWA funds projects along the Cotswold Way and agreed other named trails that run through the Cotswolds. We are seeking volunteers to help assess potential projects. This will involve visiting sites and liaising with interested parties.

Counters/Surveyors

We plan to carry out periodic head counts of people using the Cotswold Way and are looking for volunteers who can help with this.

For further information about any of the above vacancies, or for anything else about the Cotswold Way Association please email John Bartram at admin@cotswoldwayassociation.com or call him on 0117 937 4561 for a friendly and informal chat.
